A MESSAGE FROM KATHY & BECKY

Here we are, one full year since we've seen all of you in person. We've taken great solace in our ability to connect with you via our virtual concerts, but it just hasn't been the same as when we can see your smiling faces. THE DENVER BRASS

The Denver Brass, presenting brass music of national and international renown, was formed in 1981 by Kathleen and Charles Brantigan. The organization was built on a vision of a one-of-a-kind professional chamber ensemble that would be at the forefront of brass performance, entertainment, original commissions, education, and community service. Unique in the world, Denver Brass has set itself apart through its sound, original repertoire, and state-of-the-art multi-cultural show productions.

The elements of The Brass' trademark sound include more than 13 distinct instruments—including an array of rarely-used trumpets in various pitches—and the exceptional technical and expressive expertise of some of the nation's finest brass musicians. Together they produce a rainbow of timbre: not a band, not an orchestra, but an entirely new phenomenon. Exploration of fusions of music from diverse cultures and electronic and digital technology is central to groundbreaking artistic development. Today's Denver Brass is heard live by more than 40,000 persons at more than 150 season series, community, and educational events annually, as well as on popular social media platforms and 30+ acclaimed recordings.

MAKE A DIFFERENCE AND SUPPORT DENVER BRASS

As we continue the tradition of creating exquisite brass music of rich emotion and lasting impact, we ask you to make a donation today.

Your support of the Denver Brass by donating any amount as a one-time gift or a monthly gift is important now more than ever. Donate in support of all Denver Brass programs, virtual concerts, new music, and/or in honor of a loved one or a Denver Brass musician.

Ticket fees comprised 50% of our annual revenues and covered only a fraction of the costs generated by a typical Denver Brass concert, much less the expenses of educational and outreach programs. Every penny counts – no amount is too small.
