A MESSAGE FROM KATHY & BECKY

Here we are, one full year since we've seen all of you in person. We've taken great solace in our ability to connect with you via our virtual concerts, but it just hasn't been the same as when we can see your smiling faces. We're counting the days until we can be in person again and praying it could be by this May. Rest assured, we will give you access to live concerts just as soon as we are able. Once we have the green light, we will get the word out far and wide. Mark your calendars now for our annual summer show at the Arvada Center Outdoor Amphitheatre: Sun, August 22. We've always known that we have the greatest fans in the world, but your devotion and unbridled generosity over the past year has moved all of us to tears. Your support has allowed us to continue sharing the depth and breadth of emotion that brass music brings to life. We've given thanks each day for you and anxiously await having our family back together again.

THE DENVER BRASS

The Denver Brass, presenting brass music of national and international renown, was formed in 1981 by Kathleen and Charles Brantigan. The organization was built on a vision of a one-of-a-kind professional chamber ensemble that would be at the forefront of brass performance, entertainment, original commissions, education, and community service. Unique in the world, Denver Brass has set itself apart through its sound, original repertoire, and state-of-the-art multi-cultural show productions.

The elements of The Brass' trademark sound include more than 13 distinct instruments—including an array of rarely-used trumpets in various pitches—and the exceptional technical and expressive expertise of some of the nation's finest brass musicians. Together they produce a rainbow of timbre: not a band, not an orchestra, but an entirely new phenomenon. Exploration of fusions of music from diverse cultures and electronic and digital technology is central to groundbreaking artistic development. Today's Denver Brass is heard live by more than 40,000 persons at more than 150 season series, community, and educational events annually, as well as on popular social media platforms and 30+ acclaimed recordings.

PURCHASE NEW MUSIC FOR DENVER BRASS

Some of Denver Brass' greatest needs are for sponsors to provide funding for the creation of new musical works. Everything performed by the ensemble must be created to align with our unique Denver Brass instrumentation and sound. Your gift of music will be treasured, and your name will appear in programs when your piece is performed for the next ten years. Call us at 303-832-HORN(4676) or email info@denverbrass.org to ask about new works slated for this season.

MAKE A DIFFERENCE AND SUPPORT DENVER BRASS

As we continue the tradition of creating exquisite brass music of rich emotion and lasting impact, we ask you to make a donation today.

Your support of the Denver Brass by donating any amount as a one-time gift or a monthly gift is important now more than ever. Donate in support of all Denver Brass programs, virtual concerts, new music, and/or in honor of a loved one or a Denver Brass musician.

Ticket fees comprised 50% of our annual revenues and covered only a fraction of the costs generated by a typical Denver Brass concert, much less the expenses of educational and outreach programs. Every penny counts – no amount is too small.
